

**Dear Youth Soccer Fan,**

**2018 Season**

La Jolla Youth Soccer is grateful for your contribution to our league. With over 2,000 children playing in La Jolla Youth Soccer league soccer, you'll be helping to keep down the high costs of coaching and managing over 160 teams as well as renting or maintaining sports fields. We are committed to increasing the number of children who play soccer; and your sponsorship will help us grow!

As a Sponsor you will be assigned a team, have your company's logo printed on the team's practice shirts for the most exposure possible. A 3' x 5' banner will be customized for you and hung at Allen Field for the season. Your logo will be displayed on our homepage on a rotating banner with a link to your website, and also on our Impact Team page alongside the team's photo. You will receive an appreciation plaque with your team's picture to proudly display at your home or place of business and you will be invited to our popular end of the season appreciation event.

***You will receive all of this for your generous tax-deductible donation of \$1000.00.***

Please ask your company artist or vendor artist to email us a Vector or EPS file of your logo to [ljysl@lajollasoccer.org](mailto:ljysl@lajollasoccer.org). We are interested in printing your logo in the clearest way possible for the best representation of your company. If you don't have a vector of EPS file, your logo should be a high resolution TIFF format (300 DPI minimum).

Please be sure to fill out the attached Sponsor form and fax it back to us at 858-677-9778. Your logo file, completed Sponsor form, and payment are needed as soon as possible to ensure all is ready for the 2018 Soccer Season.

Nothing can compare to the joy our players experience when they are out on the fields giving it their best. We applaud your investment in the future of the children dedicated to soccer!

Thank you,

***La Jolla Youth Soccer League***

# 2018 Sponsorship Order Form

We appreciate your pledge to sponsor a team for our 2018 season!
